portance. It is imperative that young people be warned about dangerous substances by adults that they trust, and that responsible adults be vigilant in ensuring that those in their care are safe.

I and my staff have made one of our priorities the fight against childhood alcohol and drug use. I urge you to share this letter with your students and their families, so that they may all understand the priorities of my office, so that they may understand some of the legal consequences of drug and alcohol

[REDACTED]

use and abuse by children, and so that they may take advantage of some strategies that can limit that use
