Measuring Success

What will success look like for this Priority, and how will the District know if success has been achieved?

Provide quantitative data and/or qualitative descriptions of where the district strives to be at the end of the 2021-22 school year.

Things to potentially take into consideration when crafting this response:

- *How does this commitment fit into the District's vision, values and aspirations?*
- *Why did this emerge as something to prioritize?*
- *What makes this the right commitment to pursue?*
- *How does this fit into other commitments and the district's long-term plans?*
- *For Districts with identified schools*
 - n *In what ways is this influenced by the "How Learning Happens" document? The Equity Self-Reflection? Student Interviews?*
 - n *In what ways does this support the SCEP commitments of your identified school(s)?*

Priority 2

Key Strategies and Resources

What strategies will we pursue as part of this Priority?

What does this strategy entail?

How will we know if this strategy is making a difference? Include points that will occur during the year that will be helpful in gauging success.

Measuring Success

What will success look like for this Priority, and how will the District know if success has been achieved?

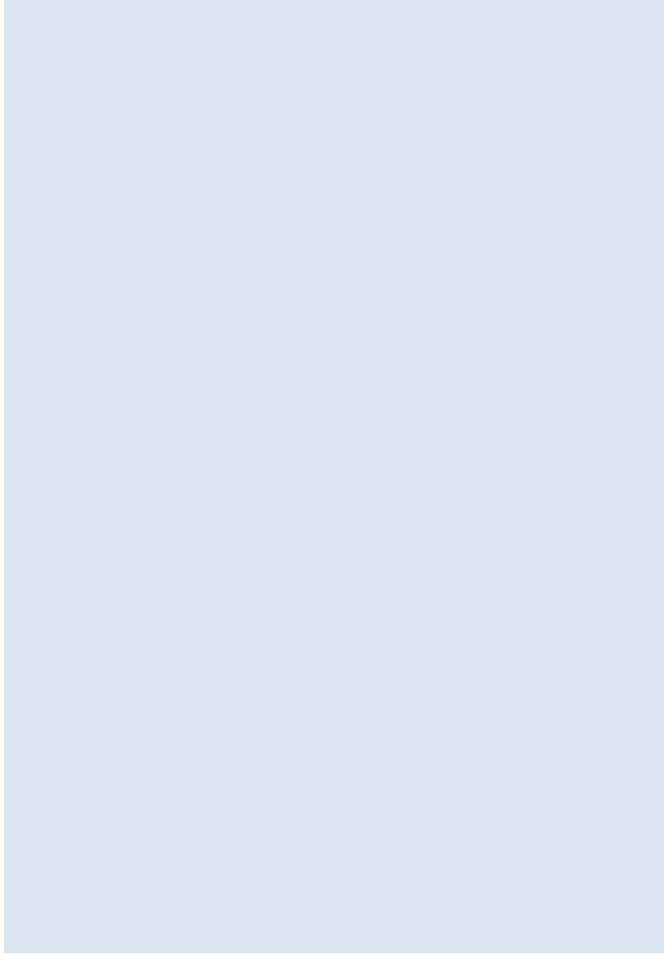

Provide quantitative data and/or qualitative descriptions of where the district strives to be at the end of the 2021-22 school year.

0% of students are at risk of dropping out of school.

95% of students are proficient in reading and math.

100% of students are on track to graduate.

90% of students are proficient in science.

Key Strategies and Resources

What strategies will we pursue as part of this Priority?

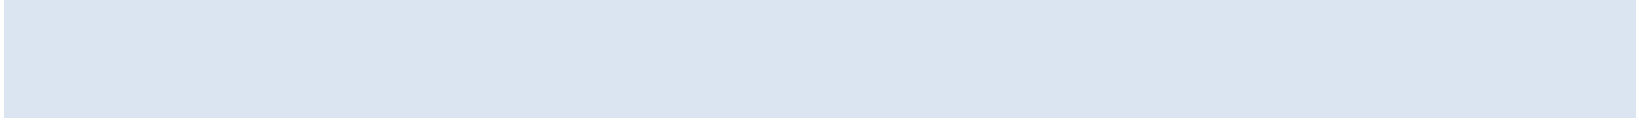

What does this strategy entail?

How will we know if this strategy is making a difference? Include points that will occur during the year that will be helpful in gauging success.

What resources (Schedule, Space, Money, Processes, Individuals) are necessary to support these strategies?

Measuring Success

What will success look like for this Priority, and how will the District know if success has been achieved? :

Submission Assurances

Directions

Place an "X" in the box next to each item prior to submission.

1. The District Comprehensive Improvement Plan (DCIP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-De
